

All Municipal, County and State Agencies.

As of today, the order bank is scheduled to open on 11/07/22 and scheduled to close on 11/10/22.

This correspondence is to make all townships, county, and state agencies, aware that Ford Motor Company has given its dealers a limited time for ordering 2023 model year Super Duty pickups and chassis. (F250-F550)

Please understand there is only a 3-day window of opportunity to enhance your fleet.

We also feel that Ford may shorten the time stated above because of the Super Duty demand. If you recall, the last time we could order a 2022 Super Duty was 11/10/2021.

If anyone reading this memo needs to purchase or place an order, the factory order must be submitted with a [purchase order, resolution, or voucher](#).
Ford Motor Company will not accept any order without one of the items listed above for verification.

Route 23 Automall encourages you to examine your fleet and the needs of your community.

We look forward to assisting you. If you have any questions or need more information, we are glad to help.

Truly yours,

David Armiger
